“You Made the Grade”

EXCHANGE “You Made the Grade” Program

The PX offers an array of free and discounted products to students who excel in the classroom through its "You Made the Grade" program. Now in its tenth year, the AAFES education rewards initiative is anchored by a booklet chock full of complimentary offers for students in grades one through twelve who maintain a "B" average or better. The current "You Made the Grade" booklet includes coupons for a free regular 6-inch combo meal from Subway, complimentary admission to the Reel Time Theater, and \$2 off any newly released DVD. Each booklet also contains an entry form for a quarterly drawing in which three winners are randomly awarded savings bonds in \$2,000, \$3,000, or \$5,000 denominations. All authorized exchange shoppers, who are full-time students, are eligible to pick up a booklet and register for the savings bonds every time they receive a qualifying report card. The program offers a terrific practical learning experience for our military students; it pays to learn. **To receive the AAFES "You Made the Grade" booklet, students must present a valid military ID card and proof of an overall "B" or better average to the Ft Gordon PX customer service department.**
